Why

VISION & OVERVIEW

At the heart of every healthy church are healthy marriages.

When marriages are strong, pastors lead with clarity, families thrive with stability, and churches disciple from a place of wholeness rather than crisis management. When marriages are struggling, the ripple effects touch leadership, discipleship, and the faith of generations to come.

Uncover Marriage exists to help the Church address what is often ignored, hidden, or avoided, so that healing, freedom, and biblical wholeness can take root.

About Us

ANTHONY & SHANNEN

Shannen Fields-Braswell is an award-winning actress, producer, content creator and inspirational speaker who coaches and mentors women on their faith journey. **Anthony Braswell** is a pastor, inspirational speaker, content creator and leadership coach. We lost our late spouses to terminal illnesses within 8 weeks of each other. We both made the decision to heal forward and make each day count. As we took those steps, God allowed our paths to cross and our new friendship quickly turned into our very own miraculous love story. Together, we have been married a combined 55 years and have used that experience to create **Uncover Marriage**. We have also launched **Healing Forward Ministries**, a non-profit organization to offer financial assistance to widows and fund content and experiences designed to reverse the epidemic of divorce that is sweeping the globe. We love to inspire others with hope and equip couples to experience the marriage of their dreams!
